October 2019

## Water, Tornados and Flooding... Oh My!

The road of rebuilding is in process for many across the Sioux region and Ramsey Baptist was not spared from these events. It has been an odd year in South Dakota when it comes to the weather and our farmers have felt the worst of it. I want to encourage you all to not lose heart. We live in a fallen world and all of our weather patterns are affected by the fall of man. It is a reminder of the curse that God gave in the garden that day man rebelled. That is the bad news. What is the good news? It reminds us of the curse that God gave in the garden! It is a testimony of God as Judge. So, if we still see the judgment of God in creation then we should trust in the Grace that is promised by the same God who gave that curse. We were never promised a perfect life in a fallen world but we have a perfect savior, who did perfect works to secure perfect redemption that will one day be perfectly clear to all in Christ the day we enter perfection. And because we still see Gods ordinances in creation, we can trust that the Grace and mercy he promises has come to fruition and one day we will behold it with our very eyes, when He wipes away the last tear. Endure; life is short and it will all be over soon.

## A FRESH LOOK

The work on the outside of our church is to begin soon.

A discussion about changing the landscaping has been discussed and put on hold.

Still on our wish list will be volunteers help repair basement walls, and replacement of damaged doors both inside and out.

PLEASE TAKE CARE WHEN  
ENTERING THE PARKING LOT.  
WORK WILL BE IN PROGRESS  
AND CHILDREN ARE PRESENT.  
THANK YOU

We are still meeting! Sunday mornings. Discussion on repairs continue as we try to recover.

We are LIVE! You can get to our sermons on our YouTube Channel every Sunday morning. The best, of course, is being in house. We continue to pray for our state, our nation and the world together hand in hand. Join us at 10 am for coffee. Service starts at 10:30 am.

Prayers for our Nation, our Ministry, rebuilding and the Franson Family.
